### Melitron Receives Gold Supplier Award for Quality and Excellence in Manufacturing

GUELPH, ON - Melitron Corporation, a leading manufacturer of custom metal enclosures and electro-mechanical assemblies, today announced it has been awarded the 2014 Gold Supplier Award from a leading OEM in the aerospace industry.

The customer honored Melitron with its Gold Supplier Award, given in recognition of Melitron's high performance in product quality and manufacturing excellence for products produced in its Guelph, ON facility.

Recipients of the Gold Supplier Award must meet excellent standards for quality, delivery and customer support. "Melitron is proud to receive an award that recognizes the commitment our employees make each day in achieving high standards in the manufacture of our customers' products." said Mike Turner, President and CEO at Melitron. "On behalf of the Melitron team, I would like to thank our valued customer, for this recognition as we look forward to helping them realize their continued success."

This represents the sixth consecutive year Melitron has been recognized as a supplier of top quality and manufacturing excellence with this customer.
